

**Walk For Harley**  
so that she can too...

"Official SpokesDog" HARLEY

*This special and charming lady has had a "ruff" life and needs your support. Hit by a car as a puppy and left with serious injuries, extensive surgery and rehabilitation is what Harley needs to live a comfortable and happy life. All of this comes at a cost, but with your help...we can make that happen!*

**PLEASE HELP HARLEY HEAL!**
